**LOS ANGELES, CA—February 16, 2010—**Activeion Cleaning Solutions, LLC of United States was Awarded Honorable Mention in services Products for the entry titled, " Activeion Pro ." The jury selected winners from over 500 entries from over 25 countries.

The Green Dot Awards Honors Excellence in Innovative Environmental Projects, Products and Services. The Green Dot Awards strive to reward and promote forward-thinking businesses that create environmentally sustainable products or services and to reward revolutionary green business plans and proposals.

Recognizing that human activity is causing dramatic environmental change, we must ensure that we act today to protect tomorrow's environment. Businesses and organizations have become especially aware of the impact that their practices have on the well-being of the planet and many are acting to adopt more sustainable attitudes. The purpose of Green Dot is to reward those who practice excellence in environmental responsibility.

Although the Green Dot Awards are worthy onto themselves, they are also a consumer guide to excellence in environmentally-sustainable practices. A business with a Green Dot Award is a business that can be trusted by consumers with stewardship of the environment. Recognition from the Green Dot Awards allows businesses to promote their

products and services as items that are manufactured and delivered in an environmentally friendly manner.
